

Foam Pad (FP) Dock Seal

SPECIFICATIONS

PRODUCT SUMMARY

Full Pad Series Dock Seal—the foam-filled head pad and side pads provide a tight, energy-efficient seal between the trailer and dock wall providing protection from inclement weather, dirt and insect infiltration.

FEATURES

- Available in several top-grade fabric types, weights and colors
- High-density polyurethane foam for added resiliency
- Frame is made from pressure-treated, kiln-dried wood
- Foam is bonded to the frame with high-strength adhesive
- Heavy-duty galvanized mounting hardware
- Ventilation slits ensure proper air circulation
- Velcro® brand attachments
- All sew lines are lock-stitched and reinforced with UV-resistant thread
- Full-height yellow guide stripe
